WELCOME TO CALIFORNIA'S COASTAL LIFESTYLE - 1 MILE TO THE BEACH

Immaculate split-level. Fabulous floor-plan with lots of space for work, play, and family. Updates include: new carpet, flooring, and designer paints. Truly a dream kitchen with granite counters, solid wood cabinets, river stone back splash and stainless steel appliances. The master retreat is stunning with soaking tub, mosaic shower, double marble vanity, his/hers closets, fireplace & double viewing balconies. Huge 2nd Master Family Room with adjoining bedroom/office, full bath, balcony & separate entrance could make a perfect granny flat. MLS: 180030410
