Coastal living just doesn't get much better than this... Welcome to Hawaii "South-0"! Located in the coveted South-O neighborhood, meticulously designed and recently remodeled, this sprawling single story boasts unparalleled curb appeal! Perfectly positioned on a large, fully fenced, private corner lot, surrounded by lush landscape, coupled with drought conscious features and pristine hardscape. You will be blown away immediately as you enter the great room, with soaring 18' ceilings adorned with wooden beams, recessed lighting, ceiling fans, electric fireplace/heater, 6" base bordering below the smooth textured walls. Newly installed exquisite, engineered wood runs throughout the entire home. So much natural light enters through the many Milgard windows, three sets of French doors and two Sliders. Gather family and friends around the oversized granite island or at the built in coffee/wine bar. This kitchen has it all from stainless steel appliances to a brand new range to the huge walk in pantry to the right of the sink. Both ancillary bedrooms are flanked by wide hallways with built in storage. One bedroom is approximately 11x20, second bedroom is 10x10, both have ceiling fans and mirrored closets. Bathroom has travertine tile, walk in shower and vanity. Primary bedroom is private and located at the end of the hallway. The bedroom has ensuite bathroom with a bathtub and shower, large walk in closet and an exterior door leading to the side patio. The backyard is ready for you to make your outdoor living dreams come true! Patio cover, built in 2012, is structurally fit for a rooftop deck. Gas, water lines, and 50 amp circuit are installed ready for hookup. Garage is large and with easy access to the attic you can quickly get all those holiday decorations out of sight. Short walk to elementary school, just blocks to the beach, amazing eateries, shopping and exquisite dining. Easy access to interstate 5 and PCH.
